

**Invitation to Join a Zoom Meeting
To Commemorate the Birthday of Swami Gyan Swaroop Sanand (Formerly Prof. G.D. Agrawal)
On July 20th, 2021 Between 4pm to 6pm**

Dear Friend:

This letter is a follow-up to our earlier letter inviting you to join us in a video meeting on July 20, 2021 to commemorate the 89th birthday of Dr. G. D. Agrawal (Swami Gyan Swaroop Sanand ji).

This letter is to request you to **confirm your participation** in the discussion by registering yourself at <https://forms.gle/JNpabZp3q7ANuNs76>. The meeting will be held on a Zoom platform. Only 100 persons will be able to participate in the Zoom meeting. Hence, we urge you to register yourself early. We are making arrangements to simultaneously relay the meeting on Facebook for those unable to join on Zoom.

From 2008 till his martyrdom on October 11, 2018 Dr G.D. Agrawal waged a vigorous campaign seeking an uninterrupted, clean Gangaji flowing freely from Gaumukh to Ganga Sagar. With your active support from time to time, his efforts yielded some very important results such as cancellation of the proposed and under construction dams between Gangotri and Uttarkashi, making the watershed from Gangotri to Uttarkashi an eco-sensitive zone and declaring Gangaji as India's National River.

After Swami Sanand's unfortunate demise many of us reiterated our willingness to sustain his campaign for a free-flowing, clean Gangaji. Since then, however, the Central and State Governments have done many works in the name of development which are continuously degrading Gangaji and its ecosystem. **The well-being of Gangaji continues to be under constant threat.**

The main purpose of the commemorative meeting is to understand what each one of us is doing or offers to commit to do in the next one year to ensure a free-flowing, clean Gangaji from Gaumukh to Ganga Sagar and keep alive Swami Sanand's campaign. The meeting on July 20th is also structured for that purpose.

After a short introductory speech, **we would like to hear your brief resolutions, strictly up to a maximum of two minutes for each individual, from you.** We wish to hear from a maximum number in the time available to us. **Therefore, we request everyone to stay within the time limit. Those friends who may not get the opportunity to speak will be requested to share their resolution in writing at the following email addresses:**

- prem14049@gmail.com
- matrisadan@yahoo.com

The programme shall be moderated by Dr. Ravi Chopra of People's Science Institute, Dehradun. The Zoom meeting link shall be sent to the first 100 persons by July 19th.

You must register in the google form (see link <https://forms.gle/JNpabZp3q7ANuNs76>) by the night of July 18th, so that you can receive the webinar link by July 19th night.

We hope you all continue to remain healthy and safe.

Kind Regards,
